

# Remove IR19

Water Based Textile Ink Remover

## Applications

Recommended for use to clean Plastisol, Nylon & water-based textile inks.

## Characteristics

- Flash Point >200°F (93°C)
- Economical
- Slightly viscous to improve cling to screen during application

## Features/Benefits

- Low VOC at 139g/L
- High efficiency formula reduces product consumption
- Clean screens with water and easy rinsing formula

## Directions For Use

Use a spatula to scrape excess ink from screen. Apply the product to squeegee side of the screen. Use a non-abrasive brush to scrub both sides of the screen until the ink is liquefied. Starting from the bottom, rinse ink residue from the screen with water.

## Health & Safety

Before using, refer to appropriate Safety Data Sheets. Contact SAATI at [info.US@saati.com](mailto:info.US@saati.com) to request SDS.

## Storage

When sealed in the original container and stored in cool conditions, SAATI chemical products will maintain their original properties for one year from the date of production.

## Packaging

Available in one quart and one, five, and fifty-five US gallon containers.

## Warranty And Limited Warranty

The directions, recommendations and specifications contained within this Technical Data Sheet are meant as a guide for the use of the product and shall not bind the company. Product specifications are subject to change without notice.

The following is made in lieu of all other express or implied warranties, including any implied warranty of merchantability or fitness for a particular purpose; All SAATI manufactured liquid products are warranted to be free of defects in materials and manufacture and to meet the specifications in SAATI Product Bulletin.

SAATI will replace or refund the price of any SAATI manufactured liquid product that does not meet this warranty within the applicable warranty period.

The remedies are exclusive. In no case shall SAATI be liable for any other direct or indirect damage or loss, including without limitation any incidental, special or consequential damages, or any material costs or labor charges incident to the removal or replacement of any mesh, screen, ink, substrate, finished graphic or other item.
