

# Gelative ER6

Gel Additive for Remove ER6

## Applications

Gel additive for use with Remove ER6 onestep emulsion and ink remover system.

## Characteristics

- Produces clear stable gel when mixed with Remove ER6
- Removes ink and emulsion in one easy step
- Works with all photoemulsions and capillary films

## Features/Benefits

- Clings to screen for maximum efficiency
- Boosts cleaning power to minimize ghost image

## Directions For Use

Mix equal parts of Gelative ER6 and Remove ER6.

Stir, shake, or agitate until smooth, clear low viscosity gel is produced.

Remove excess ink from screen with plastic or card scraper.

Apply a liberal coating of the gel to both sides of screen by spray bottle, or with a brush or roller.

The above process is very suitable for large batch stencil removal – apply the gel and stack the screens on top of each other horizontally.

Allow minimum of 1 minute for Gel to penetrate and then rub with brush, or screen scrubber to speed removal.

Pressure wash screen to remove ink and emulsion in one step.

## Ink Remover Re-Application

To remove any remaining ghost image apply Remove IR18, IR26, or IR29, then follow up with a pressure washing.

## Health & Safety

Before using, refer to appropriate Safety Data Sheets. Contact SAATI at [info.IT@saati.com](mailto:info.IT@saati.com) or [info.US@saati.com](mailto:info.US@saati.com) to request SDS.

## Storage

When sealed in the original container and stored in cool conditions, SAATI chemical products will maintain their original properties for one year from the date of production.

## Packaging

Available in 5 and 10 kilogram containers.

In North America available in one quart and in one, five, and fifty-five US gallon containers.

## Warranty And Limited Warranty

The directions, recommendations and specifications contained within this Technical Data Sheet are meant as a guide for the use of the product and shall not bind the company. Product specifications are subject to change without notice.

The following is made in lieu of all other express or implied warranties, including any implied warranty of merchantability or fitness for a particular purpose; All SAATI manufactured liquid products are warranted to be free of defects in materials and manufacture and to meet the specifications in SAATI Product Bulletin.
