

7173 Pallet Tape

Applications

White adhesive tape used to cover pallets, enables the application of pallet adhesives to the tape, protecting the pallet itself from adhesive build-up.

Characteristics

- Single sided high tack paper tape
- 4 mil thickness

Features

- Adhesives applied to the paper can be refreshed with a damp sponge to remove lint

Benefits

- Apply both sprays and spreadable liquid pallet adhesives to this tape rather than directly to the equipment
- Economical solution to protect press pallets from wear and tear

Packaging

Available in 12, 16, 18 and 24" widths on 100-yard rolls
